PROVIDER PORTAL GUIDE

1. Log into the provider portal at provider.usworldmeds.com.

The screenshot shows a web browser window with the URL <https://providertest.usworldmeds.com/Account/LogOn?ReturnUrl=%2f>. The page features the Circle of Care logo and a welcome message: "Welcome to the Circle of Care™. A secure portal brought to you by US WorldMeds." Below this, there is a "Login" section with fields for "User Name" (containing "tkachhy") and "Password" (containing "*****"). A "Forgot your password?" link is also present. A "Login" button is located at the bottom right of the login section. To the left of the login fields, there is a "24/7 Online Support" box listing several services: "View your service requests anytime", "Real time patient status updates", "Accessible via any Internet-connected device: PC, tablet, smart phone", and "Secure Login". At the bottom of the page, there is a section titled "Important Safety Information" with two columns of text. The left column is for APOKYN® (apomorphine hydrochloride injection) and the right column is for MYOBLOC® (nimabotulinumtoxinB) Injection. The browser's taskbar at the bottom shows various application icons and the system clock indicating 9:51 AM on 4/3/2015.
